Afzal Ahmed

has successfully completed the online Specialization

Generative AI Data Analyst

This certificate recognizes the achievement of skills required to succeed as a Generative AI Data Analyst. Certificate holders have demonstrated the ability to use ChatGPT and generative AI tools to analyze data, automate tasks, and uncover insights across spreadsheets, databases, and unstructured documents. They have mastered prompt engineering, AI-driven data exploration, and storytelling—equipping them to thrive in modern data analysis roles powered by generative AI.
